

FUND OBJECTIVES

The eRAFI™ Exchange Traded Fund (eRAFI™ ETF) is compiled using the innovative enhanced Research Affiliates Fundamental Index™ (eRAFI™) approach to portfolio construction pioneered by California-based Research Affiliates. The eRAFI™ ETF methodology weights shares based on fundamental valuation metrics - sales, cash flow, book price and dividends as well as two additional filters (the quality of earnings screen and the financial distress risk screen) - rather than traditional market capitalisation.

eRAFI™ ETF is managed by NewFunds (Pty) Ltd, together with local investment manager Plexus Asset Management. It tracks the Plexus Absa Capital eRAFI™ Overall SA Index calculated daily by the independent investment consulting firm Riscura. This index consists of 40 shares selected on fundamental accounting measures from the top 100 JSE-listed companies.

DISCLAIMER

This document is for information purposes only and may be amended without notice. This is not a prospectus for any security, financial product, transaction or service. NewFunds (Pty) Ltd, Absa Bank Limited, NewFunds Collective Investment Scheme (NewFunds CIS) (collectively the "Promoters") do not recommend or propose that the securities and/or financial or investment products or services ("the products") referred to in this document are appropriate and/or suitable for your particular investment objectives or financial situation or needs. The products are issued by NewFunds CIS and managed by NewFunds (Pty) Ltd. This document and any other information supplied in connection with the NewFunds CIS is not: (i) "advice" as defined and/ or contemplated in Financial Advisory and Intermediary Services Act, 37 of 2002, ("FAIS Act") or (ii) any other financial, investment, trading, tax, legal, accounting, retirement, actuarial or other professional advice or service whatsoever ("advice") or (iii) provide the basis of any credit, financial or other evaluation. Accordingly, the information contained herein merely contains a description of certain facts as at the date hereof and should not be considered as a recommendation by the Promoters or any other professional advisers. If you are contemplating purchasing any participatory interest you carry out your own independent investigation of the financial condition and affairs and your own appraisal of the Promoters, in particular the NewFunds CIS (a member of the Association For Savings & Investment SA). You therefore have to obtain your own independent advice prior to making any decision or taking any action whatsoever based on this document and the Promoters disclaim any liability for any direct, indirect or consequential damage or losses that you may suffer from using or relying on this document even if notified of the possibility of such damage or loss and irrespective of whether or not you have obtained independent advice. This document is neither an offer to sell nor a solicitation of an offer to buy any of the products, which shall always be subject to the Promoters' internal approvals and a formal agreement between you and the relevant Promoter. Any pricing included in this document is only indicative and is not binding as such on the Promoters. Not all the risks and issues related to the products are disclosed and therefore, prior to investing or transacting, you should fully understand the products and any risks and issues related to or associated with them. The products may involve a high degree of risk including, but not limited to, the risk of (a) low or no investment returns, (b) capital loss, (c) counterparty or issuer default, (d) adverse or unanticipated financial market fluctuations, (e) inflation and (f) currency exchange. The value of any product may fluctuate daily as a result of these risks. Collective Investments Schemes in Securities (CIS) are generally medium to long term investments. The value of participatory interests may go down as well as up and past performance is not generally a guide to the future. CIS products are traded at ruling prices and can engage in borrowing and scrip lending. Any investment is speculative and involves significant risks and in making any investment decision, or in advising a third party in respect of an investment decision, you will rely solely on your own view and examination of the facts, information, opinions and the records relating to such investment. The Promoters do not predict actual results, performances and/or financial returns and no assurances, warranties or guarantees are given in this regard. The information, views and opinions expressed herein are based on third party sources believed by the Promoters to be reliable and are therefore expressed in good faith. The Promoters give no recommendation, guide, warranty, representation, undertaking or guarantee concerning the accuracy, adequacy and/or completeness of the information or any view or opinion expressed herein. Any information on past financial returns, modeling or back-testing is no indication of future returns. No representation on the reasonableness of the assumptions in any modeling or back-testing is made. The Promoters do not warrant merchantability, non- infringement or third party rights or fitness for a particular use and/or purpose. All opinions, views and estimates are given as of the date hereof and may change without notice. The Promoters expressly disclaim any liability for any damage or loss as a result of errors or omissions. The Promoters, their affiliates and individuals associated with them may (in various capacities) have positions or deal in securities (or related derivative securities), financial products or investments identical or similar to the products.
